

Communication & Language

We are learning to use a range of tenses correctly in our speech and increase our vocabulary.

We are trying to listen to and respond to others.

We are trying to sit quietly when needed.

Literacy

We are beginning to develop our phonic skills to read simple words and captions and developing our knowledge of tricky words.

We are beginning to use some sounds correctly in our writing.

Understanding of the world

We are finding out about different celebrations including birthdays, weddings and Christenings.

We are talking about light and dark, looking at different sources of light around us.

We looking at patterns in ICT, and finding out about keeping safe when using ICT equipment.

Celebrations Spring 1

Reception

Expressive Arts & Design

We are learning to mix colours to make new colours.

We are learning about different instruments and to express ourselves music and dance.

We are learning to make our own props to support our roleplay using a variety of media.

Mathematics

We are learning to add and subtract using simple numbers.

We are beginning to recognise numbers to 20.

We are learning to recognise and make simple patterns.

Personal Social & Emotional Development,

We are beginning to adjust our behaviour to suit different events.

We are beginning to initiate conversations with children and adults.

Physical Development

We are developing our jumping, landing, climbing and balancing skills using large apparatus.

We are developing our control when using pencils and simple tools.

We are learning how to move and store P.E.

How you can help at home

- * Read with your child at home every night
- * Count to 10 then 20 forwards and backwards
- * Keep practising sounds and tricky words
- * Talk about places they visit and things they do
- * Talk about any celebrations they attend, what is it for? who is it for? Where is it held?
