

# WELCOME TO YEAR 3

## SPRING TERM

The children have already been super busy this half term, working exceptionally hard and impressing their teachers. Thank you for continuing to ensure your children look smart at school.

### Blogging

Don't forget that you can keep up to date with some of the things that your child gets up to at school via our class blogs. Feel free to leave words of encouragement for the children.

### Reading

We are so happy with the number of children receiving various reading awards; keep up the great work.

Remember that to earn a sticker for your golden ticket, you must read at least 3 times that week.

### Parent's Evening

Parent's Evening will be on 7<sup>th</sup> February. Please ensure that you fill in the reply slip to get a time to see your child's teacher. If this date is not convenient for you, please ring the Junior office to arrange another appointment.

### Times Tables Rockstars

The children have been given log in details to be able to access Times Tables

Rockstars from home. This is available on a regular internet browser on a computer, tablet or phone. An App is also available.

Please encourage your child to go on this as much as possible- we are noticing that this is having a huge impact on the rapid recall of times tables across school.

### PE

Please ensure that your child has a full PE kit in school at all times; this includes pumps and trainers.

If your child cannot take part in PE due to a medical reason, they must bring in a note with them.

### Exciting Topics

This term we will be learning about The Roman Empire in History; Italy in Geography; Skeletons and Movement in Science.

We strongly encourage the children to research/ make things to do with any of the topics and any extra work would be presented and celebrated at school.
