

Communication & Language

We are learning to extend our vocabulary and use a range of tenses correctly in our speech.

We are learning to anticipate key events in stories and make relevant comments.

We are learning to follow a story without pictures and follow instructions with several actions.

Literacy

We are using our phonic skills to write simple words and sentences and are trying to write some of our tricky words.

Understanding of the world

We are looking at new life and will be planting seeds and growing plants. We are hoping to hatch chicks and care for them, helping them to develop and grow.

We are talking about different places and comparing them with our school and home environment.

New Life Summer 1

Reception

Expressive Arts & Design

We are learning to use different media in our creative work.

We are continuing to express ourselves with a purpose in mind through art, model making, music and dance.

We are going to try to use the skills we have learnt in different ways.

Mathematics

We are learning to recognise and order up to 20 and say the number which 1 more or less than a given number.

We are beginning to record our calculations.

We are learning about time and money.

Personal Social & Emotional Development

We are learning to organise our own activities and understand that we don't all like doing the same things.

We are going to talk about things we like/don't like and give reasons why.

Physical Development

We are learning about different kinds of music and dance including country dancing.

We are practising forming our letters using the correct sequence of movements.

We are learning about keeping ourselves safe in the sun.

How you can help at home

- * Read with your child at home every night
- * Count to 20 forwards and backwards
- * Keep practising tricky words
- * Talk about places they visit and compare them with the area around school/home.
- * Encourage them to look out for baby animals and birds.
