

Key stage 2 information for September (Y3,4,5 and Y6)

Thank you for your support over the past academic year, we are looking forward to the new school year and have just put together a few reminders for you ready for September.

School starts on Monday 4th September

New school start time: **8:45am**

Doors open at **8:35am**

Gates open at 8:30am – Please remember parents/carers are responsible for their child until 8:35am when the doors are opened. All late children **must be brought to the school office to be signed in** by a parent/carer.

Children arriving on bikes should have a safety helmet and a lock to secure their bike- without this equipment, bikes will not be allowed.

All junior children (Year 3-Year 6) should wait on the Junior playground. Children will be collected by a member of staff at 8:35am. Please look out for the class sign so the children know where to line up.

Please remember we have a school uniform policy, if you are struggling with providing this, we have plenty of preloved uniform which parents have kindly donated. Please contact the school office.

We look forward to seeing you in September
