SPORTING EVENTS

The girls played a tournament against 4 other teams. They had to play each team twice, winning 7 matches and losing 1. Stanley were the best team there winning the most matches. All the girls played well and, in some matches, came back from losing situations.

On Wednesday some of our year 4 children took part in football activities at Stanley sports centre. All the children enjoyed it and represented the school brilliantly.

WORLD BOOK DAY

What an amazing effort from our children and families to make World Book Day so special.

Reading is so important and the children have thoroughly enjoyed all the activities that they have taken part in this week. There are some amazing photos on our [Facebook page](#).

Thank you again for your support - the costumes and dioramas were out of this world!!!!

Choosing winners presented a huge challenge to our staff team.

EASTER

Craft Afternoon

Wednesday 27th March 1:30pm - 3:00pm

Our mission for the Year 2 Easter craft afternoon is to give parents/carers at home a chance to see how creative the children in Year 2 are. You and your children will have the chance to work together to create some lovely Easter items to take home with you.

There will be different crafts set up for you to rotate around. As well as being engaging and fun, the activities will also allow your child to show you how imaginative they can be!

If you would like to take part in the Year 2 Easter Crafts Workshop, please complete the form which has been sent home with your child and return it to school before Friday 22nd March.

Unfortunately, due to limited space, we can only accommodate 1 parent/carer per pupil on this activity day and it is not suitable for prams or younger siblings.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
