Y5 TRIP TO MANCHESTER MUSEUM OF SCIENCE AND INDUSTRY

Year 5 had a very successful trip to the Manchester Museum of Science and Industry on Tuesday. The children particularly enjoyed the experiment gallery as they were able to carry out a range of problem solving experiments themselves! Thank you for your support for the trip, it adds such wonderful value to the children's experience in the curriculum.

Y3/4 DANCE COMPETITION

Thank you to those parents who joined us after school yesterday to watch the children perform their dance for the Blackpool School Games Dance competition. Unfortunately, we did not get a visit from the judge this morning which means we are runners-up. Thanks again for your support, their performance was wonderful.

YEAR 2 CRAFT AFTERNOON

EASTER

Craft Afternoon

Wednesday 27th March 1:30pm - 3:00pm

Our mission for the Year 2 Easter craft afternoon is to give parents/carers at home a chance to see how creative the children in Year 2 are. You and your children will have the chance to work together to create some lovely Easter items to take home with you.

There will be different crafts set up for you to rotate around. As well as being engaging and fun, the activities will also allow your child to show you how imaginative they can be!

If you would like to take part in the Year 2 Easter Crafts Workshop, please complete the form which has been sent home with your child and return it to school before Friday 22nd March.

Unfortunately, due to limited space, we can only accommodate 1 parent/carer per pupil on this activity day and it is not suitable for prams or younger siblings.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
