SYNERGY EDUCATION TRUST

From the 1st April 2024 Stanley became an academy in the **Synergy Education Trust (SET)** which means that we are no longer a Blackpool Council maintained school. We are one of the three founder schools of a new multi-academy trust, working in a family of like-minded schools who share the same values.

We know that we will work together to ensure that our pupils thrive from the opportunities that we are able to provide. Our school name, logo and uniform will not change. We continue to be very proud to be Stanley Primary School. The website for the Trust can be viewed [here](#).

REMINDERS

- Please can we remind parents **NOT to send ANY TYPE OF NUTS/FOOD INCLUDING NUTS** into school.
- Due to the children having no access to water fountains, please make sure your child brings a drink of water to school – **NO FIZZY DRINKS.**
- Our school has a strict 'No Smoking/Vaping' policy. Please can we remind parents **NOT TO SMOKE OR VAPE** on our grounds.
 - Please remember, if your child has had a case of sickness or diarrhoea, our policy is to stay off for 48 hours since the last episode.
- To report an absence – please call 01253 761022 and select 'Option 1'. Please also let us know in advance of any appointments/reasons for collecting your child early.
- If your child requires medicine to be given in school please email us with the following details:
 1. Name of child and class
 2. Name of medicine
 3. Dose
 4. Time to be given
 5. Dates to be given

ALL MEDICINE SHOULD BE BROUGHT TO AND COLLECTED FROM THE OFFICE BY AN ADULT.

BIG ANNOUNCEMENT

We are SO EXCITED to share the news that we have **Dermot O'Leary** hosting a book event at Stanley on Wednesday 24th April. The junior children will meet Dermot whilst he shares his new book 'Wings of Glory'. The children will be able to purchase a copy of his book which he will sign for them! If your child is in the junior department (Y3-Y6) they should have brought home a letter regarding the event with further details.

TOWER POWER 2024 - THE ULTIMATE ECO TRIATHLON

Four members of our Eco-Squad sent Jordan Wylie MBE a good luck video message this week as he embarked on an amazing expedition. Tower Power 2024 will see Jordan attempt to travel from the Leaning Tower of Pisa (Italy) to the Eiffel Tower (France) and finish at Blackpool Tower (UK). The expedition will be an adventure experiment that he will complete in the most sustainable way possible. He is using a bike made from coppiced wood, a kayak made from recycled plastic bottles. He will be wild camping and eating locally sourced food. He will be wearing recycled clothing and using recycled equipment. Jordan is raising money for the Army Cadet Charitable Trust (ACCT) and is also donating money raised towards a very special project in memory of Jordan Banks, one of our pupils who tragically had his life cut short in May 2021. We will be following Jordan's progress and hope he raises as much money as possible. There is more detail about the expedition [here](#) with details of how to donate.

ELMER'S BIG PARADE

We hope you have visited '**Bubbles**', our very own Elmer who is currently proudly on show in Abingdon Market. He is such a beautiful creation from our children and has a very special JB7 fish on him, ***painted in memory of Jordan Banks.***

The trail is amazing! If you have not done so already, please download the free app '**Elmer Blackpool**' from the app store. You can vote for **Bubbles** on the app. At the time of writing this, we were third which is fantastic! You can also upload a photo to the gallery in the app if you have visited.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
