## FRIDAY 19<sup>TH</sup> APRIL 2024

### PANATHLON FINALS

We are thrilled to let you all know that our seven children from Year 6 came joint first place at the North-West Panathlon Regional Finals. We were officially given second place after points were taken into account from the individual events. You may recall that they had the opportunity to compete following their success at the Lancashire Panathlon finals a few weeks ago. They travelled to Bolton yesterday and competed at the Bolton Arena. We are extremely proud of their success- it is an amazing achievement to compete at this level.

### TAG RUGBY

Well done to our TAG rugby team who played a number of matches at Fylde Rugby Club on Wednesday. Mr Ashworth and Mrs Hainey said our children represented us wonderfully and we came third. Well done to all those children who took part!

## THE DAY THAT DERMOT CAME!

We were absolutely thrilled to welcome Dermot O'Leary to Stanley to visit our Junior children on Wednesday. He was promoting his new children's book 'Wings of Glory'.

He fully entertained our junior children sharing his passion for writing and excerpts from his book. The children enjoyed a drawing session with him and he also answered lots of questions about the book, his favourite football team and whether he liked pineapple on his pizza.

It is a day our staff will certainly never forget and we would like to pass our thanks to [Book, Bean and Ice Cream](#) who kindly brought Dermot to Stanley and organised his visit.

We are very grateful and Stanley have even appeared on his Instagram Reel this week!!!

*Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.*
