### YEAR 3 RIBCHESTER TRIP

Year 3 have been looking at the Roman invasion and occupation of Britain. Ribchester holds the remains of our closest Roman Fortress and has many ruins to explore and artefacts to handle and inspect in the dedicated Roman Museum. They had a wonderful talk from the museum curator, tried on Roman armour, handled lots of real and replica Roman artefacts and even got to feel the weight of a roman sword and shield! They explored the excavated granaries and bath house and enjoyed the most picturesque picnic overlooking the River Ribble. The trip was an excellent opportunity for the children to demonstrate their current knowledge as well as supporting their real-world experience of local history.

***This trip could not have taken place without your monetary contributions so we thank the Year 3 parents for their wonderful support and timely payments.***

## CAR PARKING

Please can we remind parents/carers to park safely and responsibly. We have had reports of parking over driveways which should not be happening.

*Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.*
