A MESSAGE TO YEAR 2 PARENTS

As you know, back in May, we held a fundraiser in order to help pay for the remainder of our upcoming beach trip and we received an excess amount of donations.

We wanted to inform you what we will be spending/have spent this extra money on for the children.

The first is we are going to be treating all of the Year 2 children to an ice lolly or ice cream on the day of their trip.

The second is a more sustainable purchase as we have bought some new, exciting playground equipment for playtimes - most of which has just arrived so the children have started to enjoy using this!

Thank you once again for your generous donations.

YOUTH GAMES

Blackpool Youth Games starts again next week, we have sent letters about the events **via email** this year. Pupils through Year

1 to Year 6 have been given the opportunity to take part.

Please check your emails in case your child has been chosen and email admin@stanley.blackpool.sch.uk as soon as possible with your permission for them to take part and to travel to and from the selected event/s.

GIRLS FOOTBALL

Our Stanley girls football team played brilliantly against Layton last night under very wet and slippery conditions. All of our girls have come on so much in their confidence, teamwork and football skills and made us very proud! Special mention to Sienna who made some excellent saves as our goalkeeper and resulted in us taking a 3-1 win! Well done girls!!

PARALYMPICS YOUTH GAMES

Today, 9 of our Year 6 children took part in the **Youth Games Paralympics** event. They got to try out **Wheelchair Basketball, Sit-Down Archery, Sit-Down Volleyball** and **Fencing**. They all enjoyed it and did really well!

YEAR 2 READING PICNIC

A big thank you to all the adults who attended our **Year 2 Reading picnic** on Wednesday afternoon. Modelling the art of reading books for fun, using exaggerated expression and silly voices, is so important for children's imagination and understanding of texts. We had some superb storytelling and engaging book talk happening on our field which the children absolutely loved!

**OPERATION
ENCOMPASS**
In every force. In every school. For every child.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
