FRIDAY 28TH JUNE 2024

COMMUNICATION

We are moving towards streamlining our communication to you all. This is combined with the fact that we need to save money on printing in addition to becoming more environmentally friendly in our use of paper. In order to ensure you receive letters from school, please ensure that the email address you have provided is correct and that you check your emails in order not to miss any communication. If you have any problems with this please let us know so we can support you. Thank you for your co-operation.

ELMER

We are very proud to have supported Brian House's Elmer Trail this year. Brian House held their Elmer auction last night and they raised an incredible £143,550. We are very excited to have our elephant Bubbles back in Stanley. Thanks so much for everyone's donations and support with votes on the app.

END OF YEAR REPORTS

End of Year Reports, Attendance Certificates and Assessment Results (for relevant year groups) will be shared on Friday 5th July 2024. Historically these reports have been sent home with children in paper format, this year we have changed the process and they will now be delivered to legal guardians via email. They will also be available to view via the Arbor App. If you need any support accessing the Arbor app please contact the school office.

CROSS-COUNTRY

We are so proud of our cross-country team who won the last cross-country race of the season and are the overall winners of the Blackpool Primary School Cross Country Race. We are so proud of them!

SCHOOL GAMES MARK

Another celebration this week as we are very proud to have received the School Games Mark - we have again been awarded the Gold standard! The mark is a reward to recognise the school's engagement (provision and uptake) in the School Games against a national benchmark and to celebrate keeping young people active. Well done team Stanley - the children, staff and parents who have helped us achieve this!

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
