COMMUNICATION

We are moving towards streamlining our communication to you all. This is combined with the fact that we need to save money on printing in addition to becoming more environmentally friendly in our use of paper. In order to ensure you receive letters from school, please ensure that the email address you have provided is correct and that you check your emails in order not to miss any communication. If you have any problems with this please let us know so we can support you. Thank you for your co-operation.

END OF YEAR REPORTS

It has been a pleasure over the last few weeks to read the end of year reports for our children. I know that we will have some very proud parents/carers this weekend.

All Primary Guardians will be able to view their child's End of Year Report on the Arbor Parent Portal. Attendance records will come home with your child. Children in Reception (Foundation stage profile results, Y1 (phonics screening) and Year 4 (Multiplication Check) will also have their end of year assessments included.

Year 6 will have their attendance records, teacher assessments and SATs results next week as we do not receive SATs results until Tuesday. If you need any support accessing the Arbor app please contact the school office.

SCHOOL UNIFORM

We know it is the time of year that you will be thinking about the purchase of uniform. Please can I remind you of the uniform requirements for school and draw your attention to the fact that there should be no earrings worn for school other than small studs (these must be removed for PE). Again, I know parents/carers often consider using the summer holiday period for piercings to support the fact that earrings can be removed by the time we return to school in September.

We also have a selection of pre-loved uniform that parents/carers often take, if this is something you are interested in, please just pop into the office or send a request by email and we will see if we can supply it to you.

Our house captains are holding a book sale for the junior children (Y3/4/5/6) at playtime on Thursday 11th July. The books will be on sale for either 10p or 20p. They are books that are no longer required in our reading scheme or library provision.

PARKING

Please can we just remind you to be considerate of our residents at drop off/pick up times. Please do not park over driveways/on double yellow lines.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
