School Dinners have also now moved to Arbor. We suggest that accounts are topped up a minimum of 1 week in advance (so every Friday there should be enough money in the account for the following week).

ANNUAL CONSENT FORM

Before we broke up for summer, Annual Consent Forms were emailed to all legal guardians via Arbor. We are still waiting on quite a few responses. If you haven't already completed the form, please do so before Wednesday 11th September.

The annual consent forms ensure we have up-to-date information on your child/ren, such as emergency contacts/medical conditions/dietary requirements etc.

VISITS

We are very much looking forward to widening our curriculum this year by the children having the opportunity to go on school visits. Our first of this academic year will be to Marton Mere for Year 5, working in partnership with the River Ribble Trust. It is absolutely essential that you complete your annual consent forms to allow your child to participate. If you are having any issues completing this please just come into school and the office staff will be more than happy to support you.

A MASSIVE THANKS!!!! Keep signing up Stanley!

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child
