PMHW is a mental health practitioner and is part of the CAMHS Team. PMHW Drop In is a confidential space to discuss worries and concerns including those about a young persons emotional health and wellbeing. You are welcome to self-refer if you do not wish to attend a drop in session.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child
