## Y2 SEWING WORKSHOP

We were so pleased to welcome so many parents and family members into school this week to support our Y2 Sewing Christmas Workshop. The children loved having visitors and the staff particularly appreciated having the support - especially with threading!! Thanks to all that attended.

## Y5 LOWRY DANCE WORKSHOP

Our Year 5 pupils took part in a dance workshop facilitated by the Lowry. The staff from the Lowry commented on how fabulous their interpretive dance skills are and as always, their friendliness and wonderful manners. Well done year 5.

Our school choir performed at Penny Farm on Sunday. We have received a lovely thank you from them. They have praised the children's singing and their conduct and behaviour. Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child
