

Dear parents/carers,

We hope you are all well and staying safe in these unprecedented times. It is hard to believe that we are in our last term of the academic year. Home learning documents and links have been added to the website today. Please try to encourage the children to complete as many of the tasks and activities set by teachers as possible.

Please find below a list of email contacts for your child's teacher. This will enable you to contact your child's teacher if needed – they would love to hear from the children to see what they have been doing during lockdown! If you have questions regarding home learning or difficulties with passwords for online learning they will be more than happy to support you – please be aware that staff are still supporting our keyworker children therefore emails will be responded to when staff have the opportunity.
