

Year 6
17th July 2020

Dear parents/carers,

Today, we say goodbye to our Year 6 pupils. In school, we should have been enjoying our Y6 Leavers' Assembly in which all pupils would have been able to come together to celebrate their memories of their time with us at Stanley Primary School together with their parents. This occasion is often sad and emotional, but it is also a time of huge celebration as they reflect on their journey through primary and look forward to the journey they are about to embark on as they move to their new secondary schools. As we are unable to come together for our celebration, we hope that you enjoy our Leavers' video. The link below to the video shares some of the wonderful memories the children have of Stanley, it will hopefully be something they can look back at in many years to come.

We are very proud of year six. They have shown their resilience in facing the challenges of missing school over the past few months, at a time when they should have been enjoying many different experiences and preparing for their transition to secondary school. They are a credit to themselves, to you as parents and also our school as a whole, we wish each of them every success in the future.

Parents were kind enough to give us permission to allow their child to appear on the video and we would very much appreciate your co-operation in not sharing it on the internet or social media. We hope it makes you smile!

Stay well, stay safe and keep in touch,

With very best wishes,

All the staff at Stanley Primary School
