All Parents/Carers

Dear Parents/Carers

### COVID Testing during Half-term Holiday

We would like to thank you for your on-going support in these challenging times.

As you will be aware, school will close on Friday for our half-term holiday and will re-open on Tuesday, 3<sup>rd</sup> November. You will also be aware that COVID is on the increase in our area and there is therefore a possibility that some members of our school community may test positive during the holiday period.

If your child has any COVID symptoms during the holiday you must arrange a test for them. Should the result be positive it is essential that you immediately inform school, using the following e-mail address: [admin@stanley.blackpool.sch.uk](mailto:admin@stanley.blackpool.sch.uk)

The reason for this is that your child may have been in contact with other pupils and staff in school whilst infectious. When we are informed of a positive test we shall immediately seek advice from Public Health to find out if we need to ask any other members of the school community to isolate. If your child needs to isolate, you will receive a text as soon as possible. Your child will need to isolate from that point and the text will also inform you of the date the isolation will end.

If your contact details have changed at all, please inform the school office so our records can be altered.

Yours sincerely

C N England  
Headteacher
