

## Communication & Language

We are trying to listen and respond to each other and to join in with rhymes and stories.

We are learning to understand and respond to questions.

## Literacy

We are beginning to form recognisable letters and learning to write our name correctly.

We are learning our lettersounds and beginning to blend these together to read simple words.

## Mathematics

We are learning to recognise, order and say numbers to 10.

We are continuing to count groups of objects and add these together with increasing accuracy.

We will look at 2D & 3D shapes.

## Personal Social & Emotional Development

We are learning to play in a group and make suggestions about what to play.

We are learning to wait our turn and ask for help if we need it.

## Expressive Arts & Design

We are continuing to use different media in our creative work.

We are learning new skills to make cards and calendars.

We will develop our storytelling through role play.

We are using musical instruments to enhance our performances.

## Physical Development

We are learning how use large PE equipment and small Classroom tools.

We are continuing to practise fastening coats and changing shoes.

To continue to develop their understanding of how to keep healthy.

## How you can help at home

- \* Talk to your child about what they have done at school.
- \* Encourage your child to dress and undress themselves.
- \* Help your child to complete their homework tasks.
- \* Read with your child at least 3 times a week.
- \* Encourage them to look for numbers and shapes in the environment.

## Understanding of the world

We are thinking about how we have changed since we were babies and learning about life for people during the wars.

We are learning about changes in autumn and winter.

We are learning about and celebrating Christmas.

We are learning to use a range of technological equipment in the Classroom.
