Summer Term 2

Welcome to our final Summer Term
We hope you all had a lovely relaxing break.

We've got a lovely term ahead and we thank you for your continued support.

Sports Day

This term we are very excited to host the Y3 & Y4 Sports Day on the afternoon of Wednesday 6th July (times will be confirmed closer to the event).

This will be a great opportunity for the children to take part in a range of sporting events, from obstacle courses to throwing events.

Maths Day

On Monday 13th June we are having an extraordinary Maths Day. The theme for this event is 'The Race to Space'. The children will be given opportunities to extend their mathematical thinking in context and explore some of the links between maths and science.

Science Day

On Wednesday 29th June will be Science Day. The theme is everyday careers and famous scientists. The children will investigate and learn about a famous scientist and discover job roles that involve science. I'm sure this will be an exciting day.

PE Days

PE is returning to:

3C: Monday and Tuesday

3O: Monday and Tuesday

3M: Monday and Tuesday

Please can children come to school in their PE kit. PE kit includes a pair of black pumps, a white t-shirt and black/blue shorts with their school jumper or cardigan. Due to the warmer weather, please ensure children have a labelled bottle of water and sun cream.

For health and safety reasons please can we ask that children don't wear earrings to school on these days.

Staff Working in Year 3

Teachers
