

September 13<sup>th</sup> 2022

Dear Year 6 and Parents/Carers,

Every year our Open Evening is a great opportunity for children in Year 5 and 6 to meet our staff and students and to experience what it is like to be at our fantastic school. This year Open Evening will take place on Thursday September 29<sup>th</sup> from 5.30pm to 7.30pm.

There is no need to book to attend and the Headteacher will talk about the school along with senior students and Year 7 pupils at 5.45pm and 6.45pm. The school will be open throughout this time for you to visit the facilities, see what happens in each subject area, speak to staff and students and sample the food on offer in the dining room!

We know that not everyone can attend on Open Evening and therefore anyone is welcome to contact school to make an appointment for a tour of the school and see how we are in practice. Please phone the school on 01772 682008 to make an appointment.

On our website you will also find a short video introducing our school.

Look what other people have said about us recently:

*I only witnessed good or better behaviour across the school during lessons and during unstructured times. (Inclusion Award Assessor July 2021)*

*The curriculum at Carr Hill High School is fully inclusive and personalised to individual needs. There is lots on offer to ensure all students can pursue their interests at appropriate levels for them (Inclusion Award Assessor July 2021)*

*Morning line up routines are calm and orderly. There are very high expectations of uniform and social behaviours. (Pupil Premium External Review June 2021)*

*Leaders are accurately identifying effective evidence-based PP strategies and should continue to pursue the high aspirations they have and seek to ensure this culture is truly endemic across the school community. (Pupil Premium External Review June 2021)*

*There is 'a strong and proactive safeguarding culture at Carr Hill' (Local Authority Safeguarding Audit November 2020)*

*The school maintains a clear vision that all pupils should achieve, across the broad spectrum of the Secondary curriculum. All staff buy in to that commitment, irrelevant of whether a pupil has SEND or not. (Local Authority SEN Audit December 2020)*
