BLACKPOOL FIRE SERVICE – 'DECK THE HALLS'

Blackpool Fire Station invite children and families to come and decorate their Christmas tree with them, there will be poems read and songs to sing and absolutely everyone who attends the Service will be able to hang a decoration on the tree before the light switch on. There may even be a visit from the big man himself, if there's enough children in the audience on the nice list.

The event is on Monday the 5th of December at 6:30pm and parking is kindly being provided by Blackpool Golf Club at Stanley park. The event is free to attend, all we ask is that families book a place for each person who's attending, using the Eventbrite link below, so we know how many to expect.

Refreshments will be available and any donations made on the night will be given directly to the Firefighters Charity.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
