Entries must be received by your teacher by Wednesday 25th January in order to be in with a chance of winning.

**If your child would prefer to send their competition entry as a poster on paper, the questions they need to answer are:**

- **What is a scientist?**
- **What does a scientist do and what skills do they need?**
- **What job could a scientist do and why?**
- **Draw and label a scientist at work in the job you describe.**

## ABSENCE FROM SCHOOL

Please ensure that the Office is made aware, **by yourself**, if your child is absent from school; through our absence voicemail option and **NOT** Seesaw.

If your child is going to miss any school time, for any reason, the Office needs to be made aware so that they can be appropriately marked on the register and evidence provided/an absence form completed by yourself.

*Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.*
